

Lunch With Lenders

Join Journey Bank for an engaging lunchtime event!

February 24th & February 26th

Along with a delicious lunch, we have a terrific lineup of panelists and speakers to update you on important industry related topics.

Our **Local Lending Teams** will highlight the many benefits of community-focused lending. We'll share real-life homebuyer stories and examples of the tailored mortgage solutions we have to offer.

Hear from **PHFA Business Development Officer, Emily Murray**, about how PHFA-approved lenders can help break down the barriers to homeownership. Learn about PHFA's popular mortgages, downpayment assistance options, below-market interest rates, forgivable downpayment assistance, free counseling, and options for first time homebuyers.

Representatives from our **Information Security Team** and **Fraud and Compliance Departments** will also be on hand to provide valuable insights and tips to help protect both you and your customers from scams and fraud. We'll update you on the latest scams we're seeing and share products and services we have to help mitigate the risks of fraud.
